

Civil War Board Game Rubric

Final Score: ____/100

Criteria	<u>Weak (0-13)</u>	<u>Average (14-17)</u>	<u>Strong (18-20)</u>
Artwork: The board game is created using appropriate materials. It is neat, colorful, and labeled with the name of your game.			
Question Cards: Create at least 25 content-specific questions and answers that relate to a specific aspect of the Civil War. The questions must be incorporated into playing the game. Questions should be challenging but not overly difficult.			
Layout: The game's design is clear and defined. It is understood how players navigate through the game.			
Rules: Write detailed rules that state how to play, what the objective of the game is and how the game pieces are defined.			
Teamwork: Did this group work well together as a team, and did each member take responsibility for their role?
